Lick this.

Doesn't taste very good, does it?

That's because it's made of paper. Real SweetTARTs®, however, come in six explosive flavors so powerful they'll send shock waves shooting through your tongue into your brain triggering a reaction from your mouth—something like **WOW!**

IT'S A HIT!

Bottom of the 10th, two outs, bases loaded, and the league's best hitter is at the plate. Will he take your screw ball downtown? Or will you blow him away with your awesome fast ball? Find out when you play Extra Innings, the amazing new baseball game for Super NES.

Select your starting lineup based on who's hot and who's not. With Extra Innings, you call the shots and control the action: the spin on the curve ball, your batter's slugging power, even your player's dive for a shot up the middle.

When you play Extra Innings, you

can put on a hit and run, take a long lead off first, or nail a base runner at the plate on a sacrifice fly. Play like the pros as you fight for a 12-team league pennant. And remember, statistics are updated and available on every player. You even select the stadium — air dome, midsize, or high-walled. Every choice changes the game.

There's never been a baseball game like Extra Innings. Eight different playing options, including two-player mode and all-star team competition, make this the hit of the season. Extra Innings. It's a home run!

THE MARVEL MURAL OPTICAL CONTEST OFFICIAL RULES AND REGULATIONS

1. The Marvel Mural Optical Contest, sponsored by Marvel Entertainment Group, Inc. ("Marvel") and Phone Programs USA Inc., New York, NY, is an interactive game of skill requiring knowledge of the contents of murals as found in various Marvel publications.
 2. The game begins March 1, 1992 and continues through May 29, 1992.
 3. Callers with touchtone telephones may access the game by dialing 1-900-420-6622. The charge per call is \$3.95. Anyone who is under 18 years of age must get parental permission before calling the game. Callers may access the game from anywhere in the continental U.S., at any time, 24 hours a day, during the term. Callers with rotary telephones are technically ineligible to play. All appropriate prizes won by persons under 18 years of age shall be awarded in their name to a parent or legal guardian. The maximum length of a call is 3 minutes. The telephone number of the originating call must match the telephone number on the prize claim in order for any prizes to be awarded and each telephone number is limited to 4 calls per week during the term.
 4. The caller shall hear an introductory message and will then be requested to enter the telephone number he is calling from for call limiting purposes. Each call is a separate game. The caller will have one minute and forty seconds to answer a series of questions relating to the mural. The goal is to answer as many questions correctly in the time allowed. The caller will hear a bell sound effect for each question answered correctly and a buzzer for each incorrect response. Each person who answers a minimum of ten (10) questions correctly will receive a Special Edition Mural poster (approximate value \$4). The caller will be given a prize claim number relating to the originating phone number. The phone number must match the prize claim number in order to earn the poster. All prize claims must be received by June 30, 1992. All prizes have been provided at cost by Marvel Entertainment Group, Inc.
 5. Marvel reserve the right to add or replace questions at any time. Players waive any claim or right in the event of ambiguity or error in any questions or answers, and, by entering, players agree to be bound by and subject to these complete official rules and to be subject to the decisions of Marvel and Phone Programs USA Inc. whose decisions are final. Players acknowledge that the contest answers to all questions are those provided and validated by Marvel.
 6. Sponsors and their Service Provider are not responsible or liable for incorrect or inaccurate entry of information by caller, technical malfunctions of the telephone network, computer equipment, software or any combination thereof, or loss or delayed data transmissions.
 7. Void in Arizona, Georgia, Maryland, Massachusetts and Virginia and wherever else prohibited. Employees and families of Marvel Entertainment Group, Phone Programs USA Inc., Call Interactive and their affiliated companies are not eligible. All federal, state and local laws and regulations apply.
 8. A copy of these rules may be obtained free of charge, in person, from PPL 919 Third Avenue, New York, NY 10022 during normal business hours, or write "Marvel Mural Optical Contest", P.O.
